## **RULES AND DIRECTIONS**

Design contest is open to local students (Central New York) of all ages.

All designs must be submitted before September 30th to be eligible.

Jerseys can be designed using the provided template or hand drawn using any medium and method of your choice (markers, crayons, pencils, cut and paste, drawing/tracing, etc.)

The Utica Comets primary crest may be used on the jersey but is not required. Be creative!

Designs may be scanned and submitted through the form online at: **[uticacomets.com/kidsjersey](http://uticacomets.com/kidsjersey)** or handed in at the **Utica Comets box office** during business hours.

The designer of the winning jersey will get to work directly with our creative team to have his or her jersey created and worn during **Comets Kids Day** on April 2nd. Specialty jerseys will be auctioned off after the game with proceeds going to the Save of the Day Foundation.
